

Every Season in the Vineyard is Totally Unique Vineyard Hikes Available Year Round

\$15 P/P based on minimum 6 per tour; pre-booking required

Hike the Calamus Vineyard with owner Derek Saunders. His passion for the industry, knowledge of grape growing and wine making provides for a unique experience. Tour includes a 1km walk through the vineyards and 18 Mile Creek Valley (wildlife sightings & great photo ops). Enjoy wine tastings amongst the vines and a glass of wine and cheese plate on return. Call Calamus at least 3 days ahead to book (min 6) and come prepared with walking shoes & seasonal outerwear!

Wintertime—Learn about ice wine, bud counts, winter hardiness and watch for bunny rabbits.

Springtime—Talk about bud-break, the forecast for the crop year and enjoy the rich flora and fauna of the ravine.

Summer—Note the differences and learn about the individual grape varietals.

Fall—is grape harvest. You may see a harvester in action or the crush pad busy but definitely a time to see juicy clusters on the vines.
