Guests Purchasing Wine Only and Not Tasting

Guests Visiting for Wine Tasting

Guests entering Calamus for a wine tasting are now required to show government proof of full vaccination that has taken place at least 14 days prior to their Calamus visit. Approved proof of vaccination indicates the individual has received "2 valid doses". In addition, guest must show government issued photo identification matching proof of vaccination.

Guests Attending Events

Guests attending any of our outdoor events such as Weddings, Stargazing Nights, or Southern BBQ Nights are required to wear a mask when it is not possible to social distance or when entering the retail store for wine purchases or use of the restroom facilities but are not required to show proof of vaccination.

Guests Attending the Bistro or Enjoying a Glass of Wine on the Deck

Guests attending the open air Bistro for lunch or our beautiful wine patio are required to wear a mask when using our restroom facilities or entering our retail facility but are not required to show proof of vaccination.

We at Calamus understand that there may be guests whom are medically exempt from some or all of these rules. It is a provincial requirement that these individuals produce a letter from their Physician indicating their exemption. We would be happy to serve any guest without a medial exemption who does not wish to wear a mask through our curb-side pickup program.
